PROSeries

SAFETY & SECURITY

Guardian garage door openers are manufactured to comply with the latest industry standards. Our photo-eye system ensures the highest degree of reliability in detecting obstructions during operation. Smartphone control enabled with the beam Home app.

CLEARCOM® TECHNOLOGY

Your secure code is communicated to your opener over multiple frequencies. This provides a more reliable response when frequency interference is near.

OPTIONAL CONVENIENCE ACCESSORIES

Ask your dealer about adding more convenience and control with your new operator.

beam Smart Controller

CONTROL FROM YOUR SMARTPHONE

Control your garage door from your smartphone with the beam Home app. Auto close control. Plug & play design. **Model # V3**

Wireless Keyless Entry Keypad

NEVER BE LOCKED OUT

An entirely weatherproof, wireless keypad that allows quick and secure access to your garage door. One keypad can control multiple Guardian garage door openers. **Item # WKCC**

Deluxe 3-Button Remote Control

FOR MULTIPLE DOORS

Compact modern design, comes with a visor clip. Controls up to three Guardian operators. **Model # D3B**

Deluxe Door Control Console

MORE CONTROL

Open your door, turn on the lights and set remote security lock-out all from one convenient location. **Model # 3-FDCC**
